Ref. No. : 2025/07.....

Date : 27/05/2025..

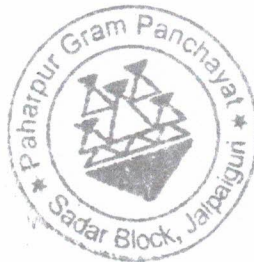

TO WHOM IT MAY CONCERN

This is to certify that the sanitary provisions and drinking water facilities at Saint Paul's School, Jalpaiguri have been established in full compliance with the standards prescribed by the National Building Code.

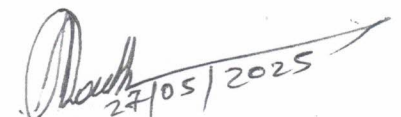

All essential requirements for safe sanitation and effective drainage have been thoroughly addressed to prevent any risk of blockage or clogging. Separate toilet facilities for male and female users have been provided on each floor, in sufficient numbers as per the guidelines of the National Building Code.

Furthermore, adequate drinking water points with access to potable water have been installed, ensuring they are proportionate to the number of students enrolled in the school.
